**Subject:** FW: presentation for TEMPO satellite meeting next week  
**Attachments:** TEMPO\_Tonnesen.pptx

All,

I attached a draft PPT for a presentation next week at the NASA meeting on the TEMPO satellite data. Slides 10 to 14 discuss O3 attainment modeling and use some plots from the RAQC modeling to illustrate model uncertainty that we hope to address using the satellite data. Can you review by COB Friday? I hope to finalize any edits early Monday.

thanks,  
Gail
